

This is OUR Passion.

Success stories from past sessions

BIOLOGY

"Mr. Bell was an excellent instructor. He was able to relate to the most senior teachers as well as the teachers who were brand new. Thank you."

- Biology Teacher, Elkton High School, Elkton, MD

"Frank Bell is an amazing educator w/a wealth of knowledge. I am planning on attending next summer! Great experience!!"

- Biology Teacher, Bishop Shanahan High School, Downingtown, PA

CALCULUS AB/BC

"Sister Alice was absolutely awesome! We certainly maximized the productivity function, professional training."

- Calculus Teacher Sanford School, Hockessin, DE

"Excellent course! I really enjoyed this training and ideas/ strategies that I learned in my AP classes this school year. I have to say that this type of training helps teachers to become better teachers for our society."

- Calculus Teacher Harry S. Truman High School, Bristol, PA

CHEMISTRY

"Excellent AP Summer Institute! Great exposure to the new curriculum and new labs and many alternate activities."

- Chemistry Teacher from Winton Woods High School, Cincinnati, OH

ECONOMICS

"Best professional development I have ever been involved with! Thank you!"

- Economics Teacher from KIPP DC College Preparatory, Washington, DC

ENGLISH LANGUAGE

"Excellent workshop consultant is extremely knowledgeable and has designed an active learning environment. He models best practices and makes this the best professional development possible."

- English Teacher from Morris Knolls High School, Rockaway, NJ

"I will tell all my "teacher friends" about this event. Thank you."

- English Teacher from Knoch High School, Saxonbury, PA

ENGLISH LITERATURE

"This was very helpful and I took a lot from the experience. I will definitely try to do it again soon! Thanks for everything."

- Teacher from Friendship Public Charter School, Washington, DC

EUROPEAN HISTORY

"This was an excellent learning experience. I will definitely return for additional training."

- History Teacher from Anthony Wayne High School, Whitehouse, OH

PHYSICS

"This is my third AP Institute and was the best yet. Alan Feldman has been fantastic – the materials and resources he provided are priceless and will make my teaching more effective from day one."

- Physics Teacher from Our Lady of Lourdes High School, Poughkeepsie, NY

"Well run organization! Instructor is phenomenal. Challenged my thinking of teaching by his sincerity and fantastic resources!"

- Physics Teacher from T.C. Williams High School, Alexandria, VA

SPANISH

"This course was beyond excellent. The instructor was very knowledgeable and helpful with materials and strategies for teaching AP!"

- Spanish Teacher from Boonsboro High School, Boonsboro, MD

STATISTICS

"Best workshop I ever attended!"

- Statistics Teacher from Middle Township High School, Cape May, NJ

STUDIO ART

"This was an AMAZING conference! I got so much that will definitely improve my teaching."

- Art Teacher from Woodrow Wilson High School, Washington, DC

US GOVERNMENT

"Excellent seminar! Maria was fantastic! She provided a ton of knowledge, strategies and suggestions. Highly RECOMMEND! Thank you!"

- US Government Teacher from Brighton High School, Rochester, NY

US HISTORY

Fantastic seminar – Speaker was very engaging, brilliant and generous with his materials and advice.

- History Teacher from Alex I Dupont High School, Wilmington, DE

"The best conference in 40 years of work in education"

- US History Teacher from Richwood High School, Richwood, WV

WORLD HISTORY

"A fantastic experience all around. The week was organized well, the instructor was highly informative and the school facility and food options were excellent. Many thanks for everything!"

- World History Teacher from Chopticon High School, Morganza, MD
